Finally Restored To Health
By Lydia E. Pinkham's
Vegetable Compound.

Bellevue, Ohio.—"I was in a terrible state before I took Lydia E. Pinkham's Vegetable Compound. My back ached until I thought it would break, I had pains all over me, nervous feelings and periodic troubles. I was very weak and run down and was losing hope of ever being well and strong. After taking Lydia E. Pinkham's Vegetable Compound I improved rapidly and today am a well woman. I cannot tell you how happy I feel and I cannot say too much for your Compound. Would not be without it in the house if it cost three times the amount."—Mrs. CHAR. CHAPMAN, R. F. D. No. 7, Bellevue, Ohio.

NEAR DEATH BY SMOTHERING

But Husband, With Aid of Cardui,
Effects Her Deliverance.

Draper, N. C.—Mrs. Helen Dalton, of this place, says: "I suffered for years, with pains in my left side, and would often almost smother to death."

Medicines pitched me up for awhile but then I would get worse again. Finally, my husband decided he wanted me to try Cardui, the woman's tonic, so he bought me a bottle and I began using it. It did me more good than all the medicines I had taken.

I have induced many of my friends to try Cardui, and they all say they have been benefited by its use. There never has been, and never will be, a medicine to compare with Cardui. I believe it is a good medicine for all womanly troubles.

For over 50 years, Cardui has been relieving women's sufferings and building weak women up to health and strength.

If you are a woman, give it a fair trial. It should surely help you, as it has a million others.

Get a bottle of Cardui to-day.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for Special Literature on your case and get your bottle of "Strong's Cardui" in plain wrapper. Size 100.

PARAMOUR KILLS INNOCENT WIFE WHO STOOD —IN WAY

Girl of Twenty, Infatuated
With Newark Man, Deliberately
Pumps Bullets Into
Body of Woman.

QUICKLY SUICIDES
BY POISON ROUTE

(By Leased Wire to Evening Herald.)
Newark, N. J., Feb. 7.—Hazel Herdman, a girl of 20, infatuated with Charles F. Manning, shot and killed Mrs. Harriet Manning in her home here last night. This was the announcement made by the Newark police this afternoon.

The girl died in the Mountsinclair hospital at Montclair, N. J., of poison taken with suicidal intent at 15 minutes after three. Her mother was at her bedside.

Learning that a young woman had been taken to the institution, the police seized on it as a clue to the mysterious shooting of Mrs. Manning, and according to Miss Herdman, accused her of the crime.

Then, according to the police, she confessed, saying that she was in love with Manning and had killed his wife because the wife had failed to get a divorce as promised.

Miss Herdman was the unnamed woman detained by the police and questioned last night.

A revolver and a silk umbrella were the only clues which the police had today to help them identify the veiled woman who last night shot and killed Mrs. H. Manning in her mother's home here. Those the murderers left behind when she fled after firing with deliberate intent two shots at her victim in the presence of Mrs. Manning's mother, sister and niece.

Mrs. Manning's husband, Charles F. Manning, a garage manager, from whom she had been separated for two years, and a woman whose identity is not revealed, after having been held by the police all night and closely questioned, were released today. Subsequently the police detained at police headquarters an Italian woman who seemed to answer the description of the murderer as given by Mrs. Manning's relatives.

Jacob Zin, who formerly boarded with the family, was also brought to headquarters. The fact that the woman announced herself when she called as "Mrs. Manning's girl friend" from Philadelphia prompted the local police to seek the aid of the police of that city.

Manning himself brought the girl to the hospital. Seeing that her condition was critical he went in search of her mother.

Miss Herdman had been suspected of the crime last night, but thorough questioning at that time failed to establish any suspicion that she was responsible for the shooting. Her home was on the Pompton turnpike, in Essex county.

She was the daughter of Arthur J. Herdman, a hotel proprietor. The father said this afternoon that he had opposed his daughter's association with Manning but that notwithstanding the two had been going together for years.

ARTESIAN WATER ON NAVAJO RESERVATION

H. F. Robinson, superintendent of irrigation for the Indians of New Mexico, was advised yesterday that artesian water had been encountered in one of three wells which the government is drilling on the Navajo reservation at Crown Point. The flow was encountered at a depth of 500 feet but it is believed that a stronger flow will be encountered at greater depth. The wells are being drilled for stock water purposes and will thoroughly test the artesian water possibilities of the district. Artesian water was first encountered near Crown Point by oil prospectors several years ago.

Mr. Robinson left today for the reservation to inspect the drilling.

Nooray! Baby To Rule the House

No Longer Do Women Fear The Great-
est of All Human Blessings.

It is a joy and comfort to know that those much-talked-of pains and other distresses that are said to precede childbirth may easily be avoided. No woman need fear the slightest discomfort if she will fortify herself with the well-known and time-honored remedy, "Mother's Friend."

This is a most grateful, penetrating, external application that at once soothes and makes pleasant the abdominal muscles and membranes. They naturally expand without the slightest strain, and thus not only health but tenderness to nervous twitching spells, but there is an entire freedom from nausea, discomfort, sleeplessness and dread that so often leave their impress upon the babe.

The occasion is therefore one of unbounded, joyful anticipation, and too much stress can not be laid upon the remarkable influence which a mother's happy, pre-natal disposition has upon the health and fortunes of the generation to come.

Mother's Friend is recommended only for the relief and comfort of expectant mothers, thousands of whom have used and recommended it. You will find it on sale at all drug stores at \$1.00 a bottle. Write to-day to the Brooklyn Regulator Co., 120 Lamer Ridge, Atlanta, Ga., for a most instructive book on this greatest of all subjects, motherhood.
